

PRESS RELEASE

Koral Technologies Srl has been incorporated

Trento, Italy - February 4th, 2019 - 13:00 (CET)

Koral Technologies Srl, an Italian innovative start-up company, has been incorporated this morning at the Trento Chamber of Commerce (“Camera di Commercio, Industria, Artigianato e Agricoltura di Trento”).

The mission of the newly-incorporated company is to constantly develop know-how and cutting-edge solutions in advanced manufacturing, energy, aerospace and Industry 4.0. Through focused investments in Research & Development and Intellectual Property, Koral Technologies aims to develop critical technologies for enabling the innovations of tomorrow.

The incorporation of the company follows six months of market searches, conceptual engineering activities, and team building. The Board of Directors includes Biagio Guarino as Chairman, and Roberto Guarino, Sergio Guarino and Fabio Tedone as Members. The headquarters of Koral Technologies are set in Trento, at the Impact Hub Trentino located in Via Sanseverino 95.
